Good Morning Julie,  
Shirley and Steve will be out this week, so if you plan to meet with all of us on the hiring team I would like to request that we not meet between 8am and 11am which are the busiest hours at the Evidence Office window. I may have to help Betsy at the window this week. Also Tuesday March 3 is bad because Betsy will be out for part of the day and I may have to cover the window then as well.  
We have candidate that we all agree on to recommend. I have already gotten referrals. We need some guidance on a second choice.
